SIR,

SUBJECT - Allowance to the Kannada Pandit for teaching Sanskrit to the I Year class from 1-7-44 and increase of pay to the attender and two peons by Re 1/- each in the Municipal High School, Malavalli

I have the honour to state that the Managing Committee of the Municipal High School, Malavalli have proposed payment of an allowance of Rs 8/- per mensem to the Kannada Pandit of the school from 1-7-44, the allowance being tenable for 10 months in the year, and enhancement of the pay of the attender on Rs 15/- and of two peons on Rs 11/- by Re 1/- each It is reported that the number of students who had taken sanskrit as second language in the I year class during the year 1944-45 was eight There is no other person in the locality who can teach Sanskrit to the High School classes Sanskrit was introduced as a second language in the school according to the resolution passed by the Managing Committee on 21-6-44 and the Municipal Council have also agreed to bear the extra cost (Copies of the resolutions are enclosed) It is also reported that if sanskrit is discontinued on the score that the Kannada Pandit cannot be given the allowance, it would be a great hardship to the present batch of students who should be given instruction up to Third years class in that subject, since they cannot change their second language now The question of

appointing a full-time Sanskrit Pandit will be considered when Sanskrit is introduced in all the three classes and the strength improves

It is proposed to pay the allowance for 10 months in the year from 1-7-1944 But as the part-time allowances in High Schools are payable only for 9 months, this may also be made tenable for 9 months Necessary provision is reported to have been made and sanctioned in the High School budget for 1944-45 for this extra expenditure including the cost required for the increment to be given to the attender and the two peons

I recommend, therefore, that the proposal to pay the allowance of Rs 8/- per mensem to the Kannada Pandit for the extra work in Sanskrit done by him in the Municipal High School, Malavalli, be kindly sanctioned with effect from 1-7-1944, the allowance being tenable for 9 months instead of 10 months in the year, and also the increase in the pay of the menials by Rs 1/- each from 1-7-1944, with the observation that the Management should make arrangements for appointing a full-time Sanskrit Pandit when Sanskrit is introduced in all the three classes of the school the full cost being met by the Municipality till the next revision of grants to Municipal High Schools

I have the honour to be,

S i r,

Your most obedient servant,

DIRECTOR.
